COVID-19 INFORMATION

20 March 2020

Citizens of Vergennes and Surrounding Communities,

This is a challenging and concerning time for all of us. We all must be vigilant and responsible, doing our part to help curtail the spread of the Novel COVID-19 virus. I ask you to urge all of your family and friends to take the prescribed precautionary measures to stay safe and healthy. I also ask you to stay calm and take care of family members, neighbors and friends who may not be able to take care of themselves or to prepare for this crisis.

Hang tough, folks and do what Vermonters and Americans do best! When we get knocked down or face tough challenges, we get up and fight through them!

Please refer to the COVID -19 Resource Document put together by our local governmental leaders. This is being emailed out to all residences in the Addison Northwest Supervisory District (Addison, Ferrisburgh, Panton, Vergennes and Waltham). It is also posted on the City of Vergennes website.

God bless you and stay safe!

Chief Merkel
